

## RGC Minutes

01MAY2012

6:30pm - Meeting called to order

Not approved – Minutes of Open Meeting 19APR12

Approved - Minutes of April RGC Board Meeting

**President's Report** – Tim Bryan gives the board an update on the upcoming David Oxley Tournament. 30 applications have been received from the JGANC. Otherwise, signups are lagging. Tim makes the point that historically there are a large number of applications received as we approach the signup deadline.

Tim asks for input from the board on adequate staffing of volunteers both on on-course and around the club house. Joe Santone offers the benefit of his past experience as a chairman for the event. Several other board members offer their suggestions.

Tim advises that Sysco Foods has agreed to, once again, sponsor hot dogs and hamburgers for the kids.

**V.P. Report** – Dick Hunt commends the president on his report. End of report

**Secretary's Report** – Chuck Heath is absent. No report.

**Treasurer's Report** – Paul Christianson reports that the club funds are in good shape. We are over budget on the hole-in-one fund. Paul advises the board that the bond for the club has been taken care of.

**Tournament Director** – Neil Thomas – Nothing to report.

**Tournament Bookkeeper** – Doug Smith – Tournament funds are in good shape.

**Handicapper's Report** – Ken Lyon – Advises the board that the first two “Eclectic” events have been completed and posted to the website as of today, 01MAY12. Ken also advises he received correspondence from a RGC member asking for an adjustment of his tournament handicap. Ken has addressed the situation with the member and a decision from the handicap committee has been rendered.

Ken also advises that he received correspondence from the NCGA advising a “reduced” handicap had been applied to one of our members for future participation in NCGA events. Ken asked for an explanation so that he may discuss the ruling with the member. The player had shot below his handicap in 5 of 8 competitive rounds in NCGA play. That is an extraordinary percentage by all standards. Ken has spoken with the member and he understands the ruling if not the explanation behind it.

**Webmaster's Report** – Steve Ries – Steve asks for the board's permission to remove all tournament scores from the website for all tournament events prior to year 2006. Steve will burn the old scores to a CD before removing them from the website. A motion is made to do so. Motion seconded and approved.

**Old Business** – Remembrance Plaque – Tim Bryan advises that the club is back at square one with regards to city approval. Tim asks for suggestions for funding of a monument and plaque. Discussion ensues. Nothing is finalized.

**New Business** – There is no new business.

**Correspondence** – There is no new club correspondence.

7:10pm – Meeting adjourned

Absent: Rick Rusk, Chuck Heath, Carl Kailikole
