**Absent:** Ron Floyd, Scott Herman

**President's Message:** David thanked the board for his going-away gift. David reviewed the year's highlighted events.

**VP Message:** John has the In and Out meeting scheduled for Friday, December 5<sup>th</sup> at Sierra View CC. He announced that Steve Hendrickson has agreed to serve as the Rules Chairperson. As a result, Jim Espinoza has agreed to step up in the member-at-large position.

**Tournament Director:** Harry has 75 players signed up for the Turkey Shoot and will pick up the gift cards from Raleys. He introduced the idea of using Stripe in place of Memberplanet. He believes it will work smoother in the long run. He has updated the Tournament Guide with the help of the Tournament Committee. All away events are set except Chardonnay and that will take place in the near future. All major events and qualifications have also been updated. Harry has worked with Golf Genius to make sure next year's master roster and calendar are ready to go.

**Tournament Bookkeeper and Treasurer's Report:** Jose has all tournament money updated and the Golf Genius payment for next year completed. He handed out the board gift cards today. He will have the 2026 Budget prepared next month.

**Secretary's Report:** A reminder email to renew the membership was sent out to everyone. Another will be sent out around Thanksgiving and a final one prior to the late fee going into effect. The 2026 membership is up to 43 members and 176 still need to renew. Welcome letters have been sent to all 2026 members. These numbers are consistent with the membership drive at this time of year. The Shadowbox is updated with the most recent tournament results.

**Webmaster's Report:** Tim has the website updated.

**Rule's Chairperson's Report:** Ken reviewed the new lost ball ruling and how some members are misinterpreting it. In summary, if a shot is clearly out of bounds, the player must re-tee. On the other hand, if a ball cannot be found in bounds, the player can bring his ball to the edge of the fairway and hit from there with a two-stroke penalty.

**Handicapper's Report:** Mike has the eclectic updated.

**Correspondence:**

- Paul Christianson's wife passed away and there are no funeral services planned. RGC is waiting to hear what can be done to honor Paul's wife.

#### **Old Business:**

- A motion was made to charge late renewing members \$10 if they sign up after December 15<sup>th</sup>. New members signing up after December 15<sup>th</sup> will also pay \$125.
- A proposal was made to create a pool that people can join to help cover the costs of scoring a hole in one. Jose will send out a proposal to the board later.
- Harry has a meeting with the Trophy company to get them updated.
- Tom met with the First Tee Association and wrote up a summary of eligible players for the Roseville Golf Club Local Youth Scholarship Awards. He will continue to refine the write-up so that ultimately an eligible senior(s) is recognized. The amount of the scholarship is still unavailable because all monies will still need to be raised.
- A proposal was made to re-work the Tournament of Champions to better recognize the overall Gross and Net winner. The following ideas were brainstormed: making the tournament a separate two-day tournament where the low gross and low net would be crowned; bringing back the player of the year points; recognizing the gross and net winner with a special prize like a hat, shirt, or club headcover; changing the season to start in October and culminate at the Invitational tournament so that these champions could be recognized at the Invitational. The tournament committee will discuss and provide a proposal.

#### **New Business:**

- No new business.

**Meeting Adjourned: 7:49 pm**
