Presidents Message

It has been a good year for golf and I am truly sorry to see the year coming to an end. I have enjoyed my three years on the board, two as Tournament Director and the last year as President. It has been an honor to work with such a GREAT group of people both on the RGC Board the membership. I hope that I have made some life long friendships and a few standing side bets.

We have had good turn out at all of our events this year and I think that says a lot about our club. Hopefully next year we continue to grow our club and become an even better place to socialize and play our golf.

Our next open meeting is coming fast and it is your opportunity to have your voice heard. We will be electing the 2006 board members. The meeting is Thursday October 13 at Diamond Oaks Snack bar – the meting will start at 6:30 PM.

Good luck to you all and I hope to see you soon on the course.

Vice President's Message

I want to thank the board for a great job this year. The Christmas party is shaping up to be another great get together and I hope we see a lot of members there. I'm looking forward to having our Rose Cup team bring the trophy home. It's been a pleasure serving, as your Vice President and I know next year's board will represent the RGC very well.

Tournament Director's Message

So my first year of tournament director has come and almost gone and it went by without a snag. (Pause for the laughter) Ok maybe a few bumps along the way but it has been a great year nevertheless. I am looking forward to next year and continuing on with the improvement of the club and our events.

The club championship this year could not have had better weather. We had a fun field and some challenging matches. Congratulations to the club champion from this year Boyd Robertson.

We have a few events left for the year that I want to bring light to:

- 10-8 Invitational – Two man scramble
- 10-22 Past Presidents – Stroke play – Eclectic event
- 11-5 Allister Mackenzie aka: Haggin Oaks
- 11-12 Turkey Shoot/TOC – Stroke and Eclectic event
- 12-10 Eclectic Final – Stroke and Final Eclectic event

So that is what we have left and I have already begun to plan next years schedule. We are planning on having a fun year with Rio Lapaz, Arbuckle, and a Graeagle trip just to name a few. Looking forward to another great year and as always I will see you out there.

Let me know if you have any suggestions, questions, or idea's for anything you think the club would enjoy.

Bryan Lange
Tournament Director

HANDICAP CHAIRMAN'S REPORT

The days are getting shorter, a little bit cooler and the leaves are starting to turn to a different color. That must mean that the end of another calendar year is fast approaching. Fortunately, this means absolutely nothing to the die hard golfer. Let it rain, snow, sleet or hail, and you will still find some idiot out there working hard trying to lower his handicap index. God Bless them. I only wish our course computer was this dependable.

At the risk of sounding like a broken record, I do believe that the problems that many courses have endured over the past several months have been due to a variety of reasons. Most all of them have been human error caused either by the N.C.G.A. or by people that were unfamiliar with the way the new system works. Some were software issues. However, I do believe they are all behind us now. I would especially like to thank Chuck Heath for his diligence in trying to solve problems that would arise with the system over the past few weeks. I know it was frustrating to us all and Chuck deserves a special "Thank You" for all of his hard work.

The Christmas Party is still on track for the 3rd of December at Sunrise Golf Club. We all had a great time last year and I am looking forward to another evening of merriment this year. Thanks to all who participated in our "raffles" at the home tournaments. The "raffle" is our only source of income for the Christmas Party and without this money we would all be just going out to dinner together. With the money that was collected and donations that we solicit we will be able to fund gifts, prizes and entertainment for our party again this year. I hope to see you there.
