

April 2023

### **PRESIDENT'S MESSAGE**

Hello 2023 RGC Members:

I hope you all have had the chance to sign up for at least one of our 2023 tournaments. We have a full-year scheduled and the weather is improving. Please set aside some time now to take a look at our online site. <http://www.rosevillegolfclub.com/> Also, don't forget to sign up for the Eclectic which is a year-long race to get your best scores posted for each hole.

We have a couple of items to address in this issue of the newsletter. Our second quarter **RGC Open Meeting** will be held **Thursday April 20th at 6:30 p.m.**, at the Legends at the Diamonds Oaks Golf Course. As always, there will be refreshments. Please show up to express your opinions at the Open Meeting.

The **David Oxley (Junior) Memorial Tournament**, will be held **Monday June 12th, at 9:00 a.m.** We will be soliciting donations and volunteers to work the tournament. Let's help these kids have a great day and put on a well-run tournament at Diamond Oaks. One alumnus of the David Oxley is Cameron Champ. Please get involved in the David Oxley and show your support for local Junior golfers with a financial donation, by volunteering, or both. The following website link will provide further information about David Oxley Junior and the form for an online donation.  
<http://www.rosevillegolfclub.com/oxley/index.html>

See you on the course and don't forget to **buy those raffle tickets at every tournament.** All donations for Christmas prizes and referrals to donations are welcome throughout the year. We are working on a great Christmas party for 2023, so I hope to see everyone there!

Dennis Foxx  
2023 RGC President

### **VICE PRESIDENT'S MESSAGE**

Hello fellow RGC Members:

It's been a wet start to the 2023 season resulting in some pretty sloppy course conditions. Hopefully, the wet weather is behind us and the course conditions will be improving. Even with the wet weather, turnout for the first six tournaments have been great!

There are 18 home tournaments and 2 away tournaments left to play this year. If you plan to play in one or all of the scheduled away tournaments (July and October) it's strongly advised that you secure room accommodations well in advance. Last year we had to cancel an away tournament in Graeagle due to the lack of room accommodations. We have some great courses scheduled to play this year in Reno (Lake Ridge and Toiyabe), Livermore (Poppy Ridge) and

Petaluma (Indian Valley and Rooster Run). Please mark your calendar for these upcoming events. These events are quite enjoyable and we play some real nice courses.

As most of you know we have a **50/50 raffle drawing** at each tournament to raise funds for the annual Christmas Party. Unfortunately, we've only had two raffle drawings this year but hope to have the raffle at all remaining tournaments. The two raffle winners this year were Larry Fleshman and Bill Perry. **Please support the RGC Christmas Party by purchasing raffle tickets at each home tournament.** Maybe you too will win the raffle drawing and go home with some extra money in your pocket. This year's Christmas Party will be held on Saturday December 9th at the Elks Lodge located at 3000 Brady Lane, Roseville. Further details on the party will be made available in the September Newsletter.

On a sad note one of our club members, David "Bubba" Snider unexpectedly passed away last month. Bubba was a well liked RGC member and a kind gentleman who will be greatly missed. Our condolences to the Snider family and friends.

### **TOURNAMENT DIRECTOR'S MESSAGE**

We have made it through 3 months and rains made the course a bit muddy in events.

We have been doing a great job as a club using the mobile scoring and I hope everyone is enjoying seeing the live leaderboard and can watch all the updates. We have almost worked out all the bugs on the Gross/Net bias on the payouts so you can see that and the CTP info. The Skins are still giving us a challenge but it is getting worked out.

We have finished one NCGA Zone qualifier. Congratulations to those teams going to represent the RCG this year.

**NCGA Zone Qualifier:**

Sen Tjai / Jon Jue

Tony McGee / Ron Allen

We are about to start a busy quarter of tournaments, so make sure you get in all the events and get in as early as possible. Remember to also pay for your Skins at the same time. Please contact Rick Carter by email to let him know if you want to change tee location, you have an option for Blue, Palmer, or White Tees. As soon as you let him know it will be updated before your next tournament. The events are getting bigger and bigger, so get your entry in as early as possible to allow us to get more tee times from the course if needed. Hope to see you all out there soon. Thank you,

Jesse Sierra

2023 Tournament Director

**HANDICAPPER'S MESSAGE**

Hello Fellow Golfers,

I'd like to take a moment to remind you to post your golf scores the same day you played your round. The reasoning behind this is sometimes the course playing conditions factor in an automatic adjustments. It is imperative to post the same day to receive these adjustments and posting at a later date will not factor in any adjustments. I'd also like to remind you that all RGC

tournament scores will be posted for you so please do not post those scores. If you have any questions please reach out to me @ 530-682-4444.

Happy Golfing,

Rick Carter  
2023 RGC Handicapper

## **RULES CHAIRPERSON'S MESSAGE**

### **Finally, spring is here!!**

There are some changes in the rules of golf from the USGA this year. Below is a link for you to take a look at those changes.

#### **[Key Changes to the Rules of Golf Set to Take Effect in 2023](#)**

1. Always replace divots and repair ball marks on the green.
2. Do not talk or make noise when someone is taking their shot.
3. Play ready golf
4. Do not touch the ball or remove any obstacles, such as rocks or branches, unless it is allowed by the rules.
5. Do not walk in the line of another player's putt.
6. Do not play until the group ahead of you is out of range.
7. Keep up with the pace of play and allow faster groups to play through.
8. Do not move the ball to improve your lie, except as allowed by the rules.
9. Always be respectful of other players and the course

Fallen Trees -- Some of this winter's fallen trees have been removed but not all. Relief for stance, swing, and line of sight is allowed without penalty. Lift, clean, and place the ball no nearer the hole at the nearest point of relief from the fallen tree.

Penalty Area Between #6 and #8 Greens - This area has two ponds and a bed of rocks. The ponds are marked with red stakes and the rock area should also be. The course is getting more red stakes for us. That entire area is considered a penalty area.

Please take 5 minutes and review your club rules if a question does arise, make sure to bring it to the rules committee's attention before you sign your scorecards. Have a fun and fair golf year!

David Bills
