

September 17, 2026, RGC Meeting Minutes

Called to Order: 6:30

The August Meeting Minutes were posted.

Present: John Wharff, Harry Wharff, Karry Przepiorski, Jose Salcedo, Dan McCullough, Tim Turnquist, Ron Floyd, Steve Hendrickson, Scott Herman, Paul Wilson, Yianni Lenakakis, David Bills, Mike Rossiter, Jim Espinoza

Absent:

President's Message: John thanked Karry for the moment of silence ceremony held for two members who recently passed. He also announced the results for the board election.

VP Message: Dan shared that the Invitational is all set. Peter Brown will run a putting contest and donate a gift card toward a putting lesson to the winner. Jim Espinoza brought in four tee prize options of towels. Everyone agreed that the grey choice should be the choice.

Tournament Director: The Club Championship matches are underway and will wrap up on Sunday. The Consolation tournament is all set for Sunday as well. The away tournaments at Rancho Solano and Chardonnay have low turnouts so far. The Invitational sign-ups are coming in as well. RGC will need 90 players in order to qualify for a shotgun start. Golf Genius will be finished as of October 30th, and Blue Golf will be reinstated as the tournament platform. Blue Golf will be free for all of 2027. A member brought up the missing results on the website for the club championships in 2020 and 2021. Harry has all results and will share those with Tim.

Tournament Bookkeeper and Treasurer's Report: All tournaments have been paid for except one tournament. All bills have been paid as well.

Secretary's Report: The membership total has grown to 215 members, five more than last year. October is the start for renewing for 2027. There will be 2027 paper applications available for anyone interesting in joining the club at the upcoming Invitational tournament.

Webmaster's Report: Tim needs to update the eclectic standings on the website. He will also look into the missing club championship results. Tim stated that there was a security update certificate made to the website.

Rule's Chairperson's Report: Steve reported that there have been very few rules issues as most get resolved within the foursome. Steve will have the laminated rules ready to go out for the Invitational. It was suggested that a QR code could be placed on the scorecard as well to create a quick link to the local rules. Hole #6 was discussed and it is important to note that the signage "Environmentally Sensitive Areas" and "Access Prohibited" are not recognized by Diamond Oaks

or RGC. A neighbor paid for those signs to be posted. Hole 6 has red stakes and is played as a hazard left of the fairway.

Handicapper's Report: Mike had nothing to report.

Correspondence:

- A member brought up the need for a more equitable handicapping system for 2-man events moving forward. The suggestion was to use a player's lowest index from the last 12 months. The tournament committee will investigate further.

Old Business:

- A proposal was made for a legends bracket in the upcoming club championship. Those over 75 would qualify. The white tees would be played. It was suggested that it be played with a handicapped. The tournament committee will discuss this.

New Business

- The results of the RGC voting were clear as all ran unopposed:
 - Dan McCullough as President
 - Scott Herman as VP
 - Paul Wilson as Secretary
 - Jose Salcedo as Treasurer
 - Jim Espinoza as M-A-L
 - Kyle McGee as M-A-L

Meeting Adjourned - 7:43 PM
