

DIAMOND IN THE ROUGH

(THROUGH THE GREEN)

NEWSLETTER OF THE ROSEVILLE GOLF CLUB

August 2026

President's Message

Dear Roseville Golf Club Members,

I hope you and your families are enjoying a wonderful summer and making the most of these long, sunny days. Summer is always a great time, as our course is filled with friendly competition, memorable rounds, and opportunities to connect with fellow members and friends.

As we move through the season, I want to thank each of you for being part of what makes our club so special. Whether you're participating in tournaments, enjoying casual rounds with friends, your involvement helps create the welcoming and vibrant atmosphere we all appreciate.

This summer has brought great participation in our tournaments, and it's been exciting to see so many members, both new and longtime, enjoying everything the club has to offer.

Looking ahead, we have several tournaments on the calendar for late summer and early fall. Up next are the Labor Day, Club Championship and Invitational tournaments. The open meeting is set for September 17th. In the weeks leading up to the meeting, we will be conducting elections for the 2027 Board. I encourage everyone to get involved.

On behalf of the Board, thank you for your continued support of our club. We remain committed to enhancing the member experience and ensuring Roseville Golf Club continues to be a place where great golf, lasting friendships, and cherished memories come together.

Enjoy the remainder of your summer, stay cool, and I look forward to seeing you around the course.

Warm regards,

John Wharff President, Roseville Golf Club

Vice President's Message

Hello RGC Members,

As we reach the end of the summer leg of our golf season here at Roseville Golf Club, I want to thank all our members for the incredible support and participation we've seen so far this year. The turnout for our events has been outstanding, and it's great to see so many familiar faces enjoying the camaraderie and competition that make our club so special. With a full schedule of tournaments still remaining, including our Invitational, we're looking forward to wrapping up an exciting and memorable season. Thank you again for being part of our golf community, and we can't wait to see everyone out on the course this summer.

This year RGC, in conjunction with the First Tee Assoc, presented a \$500.00 scholarship to Emma Leingang. Tom McElhatton represented our club at the First Tee Awards Luncheon. Thanks to the generous donations from our members, we were not only able to give this scholarship, we are almost at our goal for next year's scholarships. Thanks to all that donated.

The time to vote for your 2027 RGC Board member elected positions is coming in September.

These are our candidates thus far;

President: Dan McCullough

Vice President: Scott Hermann

Treasurer: Jose Salcedo

Secretary: Paul Wilson

Member at Large: Jim Espinoza and Kyle McGee

Watch your email for your e-ballot coming in September.

Thanks Again,

Dan McCullough

VP, Roseville Golf Club

Secretary's Message

The club reached its highest membership total in the last five years with 215 members. The membership remains very active in our tournaments as 160 members have participated in at least one tournament this year. Take a look at the following breakdown of our membership percentages by age: □

MEMBER AGE GROUPS		
AGE	TOTAL	%
20s	3	1%
30s	17	8%
40s	22	10%
50s	44	21%
60s	69	32%
70s-80s	60	28%
TOTAL	215	100%

These numbers are very similar to recent years.

Check out the shadowbox at Diamond Oaks for the latest results. Photos of our recent winners in the 54-Hole Individual and 54-Hole Team events have been posted. There is also a chart showing all flight winners of this year's tournaments. These players have qualified for the Tournament of Champions. If you have ideas for improving the shadowbox, please contact me.

Thank you,

Paul Wilson

RGC Secretary

Handicapper's Message

Well here we are almost through another season and things have been running pretty well.

Hope everyone has had a great year.

The Tournament Handicaps are being updated after each tournament to the webpage. If you could check this and make sure your tees are correct. If you're going to change your tees please let me know so I can change them in the master roster.

If you have any questions please contact me by phone or by email.

Let's continue to have a great season.

Tournament Director's Message

RGC Members,

Please look at the 2026 schedule and plan your travel for the away events and the rest of the scheduled events. We have Lakeridge and Toiyabe in Reno coming up in August 14-15 and the 54 hole team in July. Please sign up early.

I would like to congratulate Jack Bushey, Steve Wheeler and Tim Nelson, Bruce Frazier winners of the Senior net 4-ball.

Based on the list of players that have signed up. If you ever need an early or late time specifically, please submit that request with your entry, and I will try to accommodate you. Some of the major tournaments require that your tee time is based on score and will probably not be able to accommodate you for those tournaments after the first day.

1) Late entries past the deadline will be on the waitlist until a WD spot opens.

a. These late entries have been causing the course, TD, and Tournament handicapper several hours of extra work.

b. It would be better to sign up as early as possible and then WD, then to try to get in late.

If you have any questions, please contact me at either rgcbkeeper@gmail.com or (916) 599-5178.

See you on the course.

Harry Wharf

Rules Chairpersons Report

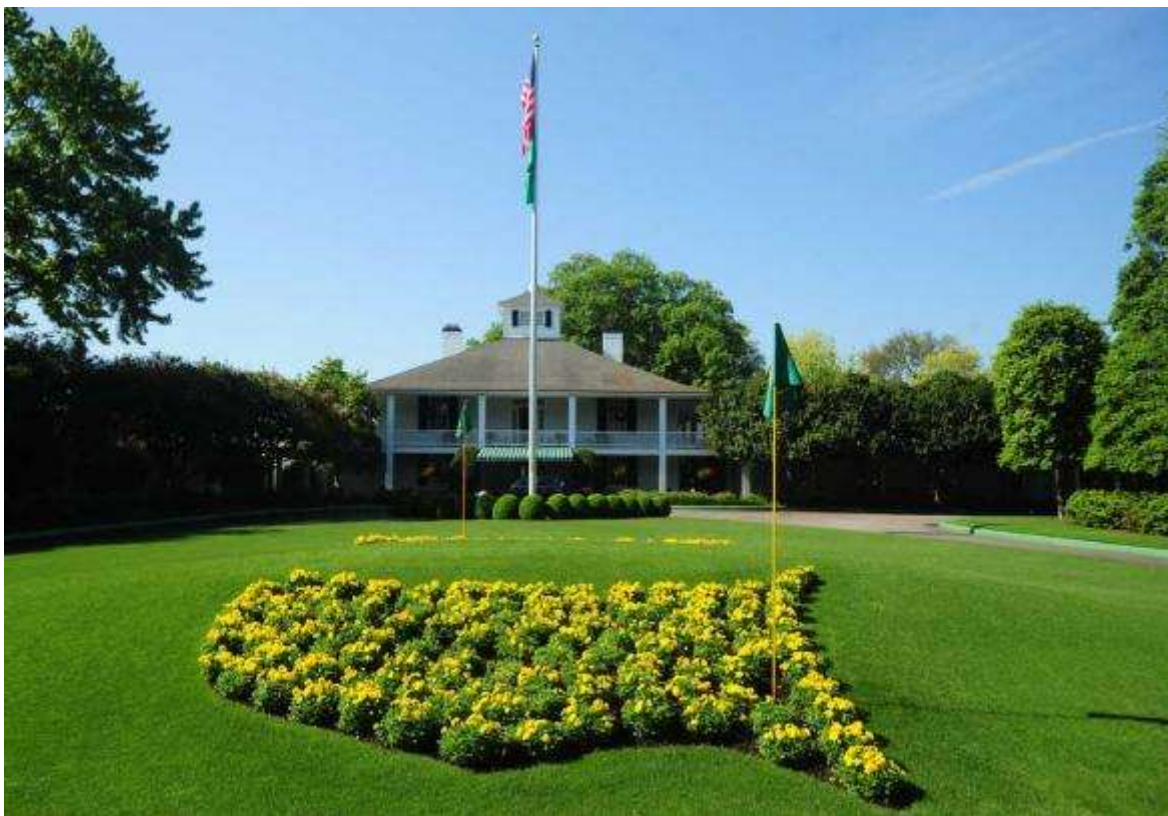

With Dan McCullough's recent appointment as our Vice President, I lost my fellow Rules Chairman. Fortunately, Karry Przepiorski, and Jim Espinoza have stepped in to help as members of the Rules Committee. Thank You Karry and Jim!

For this report, I thought I would highlight a rule that can come in handy when a player has a doubt as to how to proceed in the play of a hole. Rule 20.1c allows for the playing of two balls. To illustrate a Diamond Oaks-type example, suppose your second shot lands in the area of a downed tree. You have doubt as to whether you are allowed relief. So, you may take the following steps under rule 20.1c: You announce your intent to your fellow player that you are playing two balls; You declare which ball you want to count as long as the rules allow that ball to be counted; You finish the hole with both balls; and, Then report the particulars of the situation to the Rules Committee. As it turns out, you are allowed free relief under the Abnormal Ground Conditions portion of our local rules which covers relief because your ball landed in the area of the downed tree. Hope this helps.

Rules Chairman

Steve Hendrickson

NEXT ROSEVILLE GOLF CLUB OPEN MEETINGS
Diamond Oaks Snack Bar – appetizers will be served
PS – don't forget the free drawing!!!

Open Meeting Dates

Thursday, September 17, 2026
6:30 PM
